**Newsletter— June 2020**

**Four Jesus Film Teams  
Distributing Food to Needy Families**

### **ENCOURAGEMENT CHILDREN'S HOME - UPDATE!**

The Orphans of Encouragement Children's Home are still in quarantine with their relatives. On June 8th the government has said they may ease up the restrictions, but at this time we don't know if that will allow them to come back to the Children's Home or not. As of this writing, there are 2,340 people who have tested positive for the virus in Kenya and 78 have died. Continue to pray for Kenya and especially for the orphans who have been with relatives for three months. I thank God for everyone who have contributed to the purchase of food for the families caring for the orphans. This is the third month we have hired transport, purchased and delivered food to all 31 families caring for their orphaned relatives. Also, we have sent funds to Uganda for our friends caring for 45 orphans with very little support. God's love has touched many hearts in the name of Jesus Christ! Please continue to pray and contribute as God leads you to. Our partnership in helping these families is literally saving lives from hunger, illness and starvation in Kenya and Uganda. A special thanks to those who shared our newsletter and needs with friends and family members. The Youth Shelter is doing a great job of helping the Homeless Street Kids.

### **Flooding, Coronavirus, Quarantine and Curfew has left Many in Despair!**

I regularly receive reports from our Manager at the Children's Home, JFT Leaders who are distributing food also, and Director of the Encouragement Youth Shelter. They all are telling me how grateful the families receiving food are towards those in America donating to assist them in their time of desperate need. Our team that was going on June 4th was cancelled and are hoping go sometime later this summer. Pray for the kids to be returned to the Encouragement Children's Home soon.

Sincerely,

*Vic Rader*

Founder/President

**YOUR PARTNERSHIP IS LIFTING UP CHRIST TO MANY  
THANKS FOR YOUR CONTINUAL GIVING!**

**The people of Kenya are being blessed because of you.**
