“Zip Line” Coming!

Dear Partners in Ministry,

Christmas is just around the corner. We are so thankful for those who make Christmas for the orphans at Encouragement Children’s Home such a blessing for these precious children. This year we have a total of 90 orphans to buy for in Kenya and Uganda along with 19 staff members including the 5 staff members at the Street Youth Shelter. We want to buy each orphan a few new clothes and an age appropriate gift for Christmas, along with giving each staff member a small Christmas gift. Our goal is to spend \$30 on each of the orphans and a cash gift for the staff members and their families. This means we need \$3,270 for each of these precious people to receive something for Christmas. This Christmas will be very Special for the kids. Our missionary, Katlyn Pollock, is already working on programs to make it a “Most Memorable Christmas” for the orphans in Webuye. You can give a Christmas gift online at www.kenyaorphans.org/product-page/christmas-gift-for-an-orphan

PROJECTS & PROGRESS

“Security Wall”

“Clothes Washer”

“Septic Bio-Digester”

“Trash Incinerator”

“Katlyn’s Korner”

“I cannot believe I have already been living in Kenya for about three full months. I am so thankful for all that God has allowed me to be a part of so far. We have begun many different projects here and have even completed a few. A few of the projects we have been working on are: building a security wall, replacing our current septic system with a new bio-digester system, building an incinerator to reduce trash around the home, and changing our menu to add more nutritious foods. I am thankful to many of you who have given to the projects to allow us to make this home an even better place for these kids. God is good and has placed me here at His perfect time.” – Katlyn Pollock

Christmas Surprise!

Encouragement Children’s Home is getting an incredible Playground for Christmas!

I want to thank God and give him all the glory for the wonderful things that are happening at the Kenya Children’s Home. In just three short months of having the good leadership of our missionary, Katlyn Pollock, we are seeing tremendous improvement in the program and property. And I believe this is just the beginning of God’s plan for this ever increasing ministry. Thanks to all the donors who are supporting these projects that will improve many lives for Jesus.

God bless you for your faithful support. Together we succeed!
